

December 16, 2021

I Dr. Adarsh Ghosh, certify that I performed the statistical analysis of the manuscript entitled **Contrast enhanced MDCT features and histogram analysis can differentiate ameloblastomas from central giant cell granulomas (CGCGs)**. I am the current Artificial Intelligence Research Fellow at the Department of Radiology, and I here by vouch for the accuracy of the bio-statistical methods used in the manuscript.  
Yours sincerely,

A handwritten signature in black ink that reads 'Adarsh'.
