

CERTIFICATE OF ENGLISH EDITING

Date: 11th May 2024

This document certifies that the manuscript titled "Comparison of demographic features and laboratory parameters of coronavirus disease 2019 (COVID-19) deceased patients with surviving severe and critically ill cases" was edited for proper English language, grammar, punctuation, spelling, and overall style by one or more of the highly qualified native English speaking editors at MedSci. Neither the research content nor the authors' intentions were altered in any way during the editing process.

Documents receiving this certification should be English-ready for publication - however, the author has the ability to accept or reject our suggestions and changes. To verify the final MedSci edited version, please visit our verification page. If you have any questions or concerns over this edited document, please contact MedSci at editing@medsci.cn

Manuscript title: Comparison of demographic features and laboratory parameters of coronavirus disease 2019 (COVID-19) deceased patients with surviving severe and critically ill cases

First Author: Yang Gao

Code: 1409-1D7D-7DDA-8ACD-4BE8
