CONSENT FORM FOR PUBLICATION OF INFORMATION ABOUT THE SUBJECT

Proposal's Title: Post bulbar kissing duodenal ulcer anteriorly perforating and posteriorly penetrating with duodenocaval fistula

Name of person described in article or shown in photograph: [REDACTED]

Subject matter of photograph or article: Post bulbar kissing duodenal ulcer anteriorly perforating and posteriorly penetrating with duodenocaval fistula .

Journal name: Any scholarly peer reviewed journal .

Title of article: Post bulbar kissing duodenal ulcer anteriorly perforating and posteriorly penetrating with duodenocaval fistula .

Corresponding author: Nasser Alzerwi .

I, [REDACTED] [insert full name] give my consent for this information about MYSELF/MY CHILD OR WARD/MY RELATIVE [circle correct description] relating to the subject matter above ("the Information") to appear in the journal and associated publications*

I have seen and read the material to be submitted to the journal

I understand the following:

- (1) The Information will be published without my name attached and every attempt will be made to ensure my anonymity. I understand, however, that complete anonymity cannot be guaranteed. It is possible that somebody somewhere - perhaps, for example, somebody who looked after me if I was in hospital or a relative - may identify me.
- (2) The information may be presented in an assembly/conference.
- (3) The Information may be published in the journal, which may be distributed widely.
- (4) The Information may also be placed on the journal's website.
- (5) The Information may also be used in full or in part in other publications and products published by other publishers that have legal relationships with the journal. This includes publication in English and in translation, in print, in electronic formats, and in any other formats that may be used by the journal or its licensees now and in the future. In particular, the Information may appear in local editions of the journal or other journals and publications published overseas.
- (6) It is the Corresponding author's understanding that the journal will not allow the Information to be used for advertising or packaging or to be used out of context.
- (7) I can revoke my consent at any time before publication, but once the Information has been committed to publication ("gone to press") it will not be possible to revoke the consent.
