

Editing Certificate

This document certifies that the manuscript below has been edited to ensure language and grammar accuracy and is free from error in these aspects. The logical presentation of ideas and the structure of the paper were also checked during the proofreading process. The edit was performed by a native English speaker. The authors' core research ideas were not altered in any way during the proofreading process. The quality of the edit has been guaranteed with the assumption that suggested changes have been accepted and the text has not been further altered without the knowledge of the selected native English speaker.
