### **SPECIFIC COMMENTS TO AUTHORS**

Dear author, Thanks for writing and documenting this rare case. 1-your work is acceptable as all, but we need further explanation if there is a relation between the Paraduodenal hernia and cryptorchidism. 2-If the paraduodenal hernia and secondary hydronephrosis is accidentally discovered, mention that. 3- Is there any cause which prevents the repair of paraduodenal hernia with the treatment of cryptorchidism in one operation. Good luck
