**To Whom It May Concern:**

I am writing this letter to certify that I am a native English speaker with experience in writing manuscripts, chapters, and reviews.

I am a co-author of the manuscript "*Peroral endoscopic myotomy versus laparoscopic myotomy and partial fundoplication in esophageal achalasia: a single-center randomized controlled trial*" and I have edited the article for proper English language, grammar, punctuation, and overall style.

Sincerely,

Sergio A. Sánchez-Luna, M.D.
