2 Revision has been made according to the suggestions of the reviewer

(1) For manuscripts submitted by non-native speakers of English, please provide language certificate by professional English language editing companies mentioned in 'The Revision Policies of BPG for TOPIC HIGHLIGHT'.

Answer. The manuscript has been revised by American Journal Experts, and we can now provide language certificate by that company.

(2) Ref. 38 is same with 168

Answer. Ref. 38 and 168 are different, and we have now rewritten them correctly.

(3) A decomposable figure is required. It means that the fonts and lines can be edited or moved. You can put them in the format of Word, PPT format if any so that they can be edited.

Answer. Figure 2 is now decomposable and it is in PPT format. Figure 1 is decomposable in Excel format, but we are not able to send it decomposable neither in PPT nor in Word format, because when we transport it from Excel it is pasted as an image. We send Figure 1 both in Excel and in PPT format.
