

Prof. Andrzej S Tarnawski, MD, PhD, DSc
Editor-in-Chief
World Journal of Gastroenterology

August 08, 2022

Dear Professor Tarnawski,

This is to confirm that I have read and edited the revised version of the following manuscript:

„Histopathological assessment of the microscopic activity in IBD: What are we looking for? “

The revised manuscript has been carefully reviewed by an experienced and certified English interpreter. I hereby certify that the manuscript expresses the authors' work clearly and is suitable for publication in WJG.
