TLS - Your Reliable Business Partner!

TLS Company offers a wide range of legal and translation/interpreting services. Our objective is to help you successfully reach your business goals, making your company stronger and more profitable.

The combination of translation/interpreting and legal services offered by TLS is perfect for companies already involved or planning to get involved in international business. When discussing legal and other business issues with your foreign partners it is advantageous to speak their language or have the assistance of a competent and reliable interpreter. Our interpreters have an excellent command of the foreign language and experience working with the relevant subject areas, providing high quality translation of your legal and technical documents.

We provide interpreting and translation services of all kinds. At TLS, the key to our success has been the caliber of our team and our dedication to our clients. Our network consists of a full-time staff of over 50 in-house linguists and project management executives as well as a network of over 2,000 language specialists. We value every client, new and old. As a leading translation company we stay at the top by keeping our clients coming back. Needless to say, we guarantee complete confidentiality and security of client information.

TLS legal services are not limited to legal translation and notarization. Our services include consulting services on various corporate and/or civil law issues. In addition to many years of experience, our company boasts integration of modern information technologies to ensure the highest quality service as well as trustworthy and proven sources of relevant information.

Over the years, our company has built up our client relations through hard work and dedication. Our clients' success and growing business proves our qualifications and professionalism far better than any words. Evrofinance, Slavneft, ING BANK (EURASIA) ZAO, Basic Element Company and many others are among our business partners.

For your convenience and ease we have created our highly personalized and stress-free service. Our aim is to save you unnecessary stress and effort and to provide you with a superior level of service.

We will be glad to answer all you questions:
