To Whom It May Concern,

Our editing company provided comprehensive editing services for the Ms: **ESPS Manuscript NO: 7906 (A new index to predict esophageal variceal bleeding in cirrhotic patients) by Xu XD, et al.**, which is under consideration for publication in your journal. The edit has achieved Grade A: priority publishing; no language polishing required after editing.

Should you require any additional information, please do not hesitate to contact me.

Kind regards,

Jennifer C. van Velkinburgh, PhD
