

Biostatistics Review Certificate

This letter is to confirm that I have read the ethics application prepared for this study, and in my opinion, the statistical methods and techniques mentioned in the manuscript "Third-line and rescue therapy for refractory *Helicobacter pylori* infection: a Systematic Review" are appropriate for the research.

Sincerely,

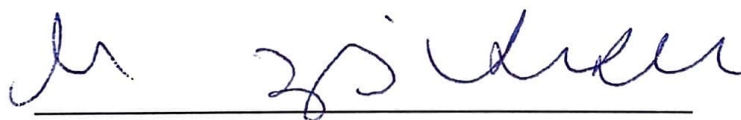

Ethel Zimberg Chehter, full Professor, MD, PhD, AGAF. Department of Gastroenterology, School of Medicine, Faculdade de Medicina do ABC, Santo André, São Paulo, Brazil
