

Non-Native Speakers of English Revision Certificate

I herein certify that the language of the document titled “Third-line and rescue therapy for refractory *Helicobacter pylori* infection: a Systematic Review” has been revised according to the journal’s requests by myself, Larissa C. Martins. I am a non-native English speaker with proficiency in English and 12 years of experience as a translator in the field of health. Any content added to the final revised version, which is available upon request, is not my responsibility.

If any further information is required, please contact larissacortinamartins@gmail.com or alternatively call 5511 9 8548 5718.

Translation, editing and revision by Larissa C. Martins
