## Certificate of English Editing

This is to certify that the paper entitled, "**Baseline moderate-range albuminuria is associated with protection against severe coronavirus disease-19 pneumonia**," submitted by Bashkin et al. to the World Journal of Diabetes, has been edited for language by myself, a native English speaker and editor. Neither the research content nor the authors' intentions were altered in any way during the editing process.

I guarantee the quality of English language in this paper as submitted.
