

Dear Editors and Reviewers,

Thank you for your kind reviews and comments.

I revised my editorial according to the reviewers' comments.

Red letters indicate the part with changes.

Abstract and core tips were revised according to the reviewers' comments.

All words of chronically injured liver were also revised.

I appreciate for your acceptance.

Best regards,

Zenichi Morise M.D., Ph.D., FACS

Professor and Chairman, Department of Surgery Fujita Health University School of Medicine
