To whom it may concern,

The “Non-Native Speakers of English Editing Certificate” is not applicable to the study entitled: **“Does size matter for hepatic resection of giant (≥ 10 cm) versus non-giant (< 10 cm) hepatocellular carcinoma? A meta-analysis”** (manuscript ID: 80745) as the authors are native English speakers.

Please contact me if you have any queries at alee047@e.ntu.edu.sg.

Sincerely,

Aaron
