

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 8136-revised.doc).

Title: Benefits of healthy adipose tissue in the treatment of diabetes

Author: Subhadra C. Gunawardana

Name of Journal: *World Journal of Diabetes*

ESPS Manuscript NO: 8136

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

- (1) In the previous studies referenced, it is now clarified whether the subjects were animal or human (particularly regarding WAT transplantation, and in other sections as well).
- (2) The description in the "Available therapies" section has been revised to be more balanced.
- (3) Typographical errors have been corrected.

3 References and typesetting were corrected

4 The Abstract, Core Tip, and Key words were added to the manuscript

Thank you again for publishing our manuscript in the *World Journal of Diabetes*.

Sincerely yours,

Subhadra Gunawardana
