

March 22, 2014

Dear Editor,

We thank the reviewers for their positive comments regarding our mini-review.  
Please find enclosed the edited manuscript in Word format (file name: **8219-review.doc**).

**Original Title:** Targeting the Ovarian Tumor Stroma

**Revised Title:** Therapeutic Strategies for Targeting the Ovarian Tumor Stroma

**Author:** Song Yi Ko and Honami Naora

**Name of Journal:** *World Journal of Clinical Cases*

**ESPS Manuscript NO:** 8219

The manuscript has been improved according to the suggestions of reviewers:

**1.** Format has been updated. In accordance with instructions to include a short running title and a longer full title, we would like to revise the full title to “Therapeutic Strategies for Targeting the Ovarian Tumor Stroma”

We would like our original full title “Targeting the Ovarian Tumor Stroma” to now be the short running title.

We have addressed all comments noted in the margins.

U1: Postcode added

U2: Author contributions added

U3: Fax number added

U4: Abstract has been revised so it is no less than 200 words

U5: Core Tip Summary of <100 words has been included

**2.** Revision has been made according to the suggestions of the reviewer

Reviewer 00107583: No revisions were requested

Reviewer 02508219: Two references (19 and 50) have been corrected as requested by the reviewer

**3.** References and typesetting were corrected

My sincere thanks for publishing our manuscript in the *World Journal of Clinical Cases*

Sincerely yours,

Honami Naora, Ph.D., Associate Professor  
University of Texas MD Anderson Cancer Center  
Dept. of Molecular and Cellular Oncology, Box 108  
1515 Holcombe Boulevard, Houston, TX 77030, U.S.A.
