

Textcheck Certificate

Refnum:	13070210
Title:	Neutrophil-lymphocyte ratio and serum C-reactive protein can predict overall and disease-free survival after liver transplantation in patients with hepatocellular carcinoma
Date:	2013/07/08

We hereby certify that Textcheck has checked and corrected the English in the manuscript named above.

A specialist editor with suitable professional knowledge (M.Sc. or Ph.D./M.D.) reviewed and corrected the English. An English language specialist subsequently checked the paper again. The first language of both editors is English.

Please direct any questions regarding this certificate or the English in the certified paper to: certified@textcheck.com
