

## Format for ANSWERING REVIEWERS

April 3, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 8803-review.doc).

**Title:** Angiotensin II-related hypertension and Eye Diseases

**Author:** Marin Garcia PJ and Marin-Castaño ME

**Name of Journal:** *World Journal of Cardiology*

**ESPS Manuscript NO:** 8803

We thank the reviewers for their thoughtful criticisms, which have tremendously helped us in revising and improving the manuscript.

The manuscript has been substantially revised in light of reviewer's comments. We have addressed each and every point raised by the reviewers by revising the manuscript as detailed in response to reviewer's comments below and used yellow track changes to indicate these changes.

**Reviewer 1:**

- a) A synergistic effect between high glucose and Ang II has been stated in page in pages 17 and 18 (yellow lines).
- b) ACE2 and Angiotensin (1-7) have been mentioned in the DR section (please see the yellow paragraph in page 19).
- c) The format of references has been corrected. Thank you so much for letting us know about the reference's mistake.

**Reviewer 2:**

- a) Figures 1 to 3 were not drawn by us. The references have been added to the Figure Legends section.
- b) Figures 4 to 7 were prepared and published previously by us previously. References have been added.
- c) Page layout and type font have been revised.

**Reviewer 3:**

- a) Summary of abbreviations has been added.

Sincerely,

A handwritten signature in black ink, appearing to be 'M. Marin-Castano'.
