

## CERTIFICATE OF ENGLISH EDITING

This is to certify that the manuscript listed below has been edited to ensure language and grammar accuracy. The authors' core research ideas were not altered in any way during the editing process. The quality of the edit is guaranteed with the assumption that the suggested changes have been accepted by the authors. The following issues have been revised: grammar, spelling, punctuation, sentence structure and phrasing.

MANUSCRIPT TITLE:

**The role of computed tomography for the prediction of esophageal variceal bleeding: current status and future perspectives.**

Martino Alberto<sup>1</sup>, Amitrano Lucio<sup>1</sup>, Guardascione Marianna<sup>1</sup>, Di Serafino Marco<sup>2</sup>, Bennato Raffaele<sup>1</sup>, Martino Rossana<sup>1</sup>, de Leone Annalisa<sup>1</sup>, Orsini Luigi<sup>1</sup>, Romano Luigia<sup>2</sup>, Lombardi Giovanni<sup>1</sup>.
