CERTIFICATE OF ENGLISH EDITING

This document certifies that the manuscript entitled "Postoperative accurate pain of children and artificial intelligence: A medical hypothesis and planned study" was proofread and edited for proper English language, grammar, punctuation, spelling and overall style by one or more of the qualified scientific editors at MedSci, all of whom are native English speakers. Neither the research content nor the authors' intentions were altered in anyway during the editing process. Documents receiving this certification should be English-ready for publication; however the author can accept or reject our suggestions and changes.
