Li Li, Science Editor
Baishideng Publishing Group Editorial Team
World Journal of Hepatology

Dear Li Li,

Further to our previous correspondence, we confirm that Gilead Sciences Europe Ltd. has paid Oxford PharmaGenesis for the provision of professional medical writing and editorial support for this manuscript, *Prospective study of hepatitis B and D epidemiology and risk factors in Romania: A 10-year update*. In accordance with Good Publication Practice and journal policy, the final manuscript includes statements acknowledging medical writing support and funding provision from Gilead Sciences Europe Ltd. The authors have no further financial support to declare.

Yours sincerely,

Kelly Soady
Communications Director
