

ANSWERING REVIEWERS

April 15, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 9436-minireview.doc).

Title: Upper gastrointestinal barium evaluation of duodenal pathology: a pictorial review

Author: Pankaj Gupta, Uma Debi, Saroj Kant Sinha, Kausal Kishor Prasad

Name of Journal: *World Journal of Radiology*

ESPS Manuscript NO: 9436

The manuscript has been improved according to the suggestions of reviewers:

1 Revision has been made according to the suggestions of the reviewer

(1) 2860766: The comparison of sensitivity and specificity of barium examination with that of CT and endoscopy has been provided in the revised version. Contraindications to the barium examination are also included.

(2) 02729798: the numeric data citing the references has been properly placed to do away with any ambiguity.

3 Pin code has been included

Thank you again for publishing our manuscript in the *World Journal of Radiology*.

Sincerely yours,

Kaushal Kishor Prasad
