Dear Editor,

I have edited and checked my manuscript as recommended by the editor and the article has been revised again by native English speaking person. The language of revised article which I believe has reached Grade A level, therefore I chose not to have my manuscript edited by English language editing companies.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

A handwritten signature in black ink, appearing to be the Chinese characters '张梅' (Zhang Mei), written in a cursive style.
