Dear Editor:

Thank you for considering our manuscript for publication.

We made the following revisions to the manuscript based on the reviewer's comments:

1. We have provided a running title.
2. We have provided key words and the core tip.
3. The references and reference numbers have been revised as per the instructions.
4. Consensus guidelines for indications have been provided.

Should you need any other information, please do not hesitate to contact me.

Best regards,

Michel Kahaleh, MD
