The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) The figures of procedures may help reader's understanding. **As suggested, figures were added.**

(2) In the abstract, 'Pneumatic dilation of achalasia is reported to have a similar medium-term efficacy than surgery' is repeated as the former sentence. **This sentence was corrected**

(3) Keep the abbreviation after the first remark: such as pneumatic dilation (PD). **This issue was corrected**

(4) Refine sentences considering the rules of spelling. **Sentences were refined.**

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastrointestinal Endoscopy*.

Sincerely yours,
