

## ANSWERING REVIEWERS

April 29, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 9991-review.doc).

**Title: Review article: hematopoietic stem cell transplantation for non-malignant gastrointestinal diseases**

**Author: Abdulbaqi Al-toma, Petula Nijeboer, Gerd Bouma, Otto Visser, Chris Mulder**

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 9991

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated, consistency, order has been revised.

2 Revision has been made according to the suggestions of the reviewer

(1) The manuscript has been extensively revised and re-organized without affecting the quality of the original text.

(2) The Reference section has been updated, re-organized. Pubmed ID and DOI with link have been provided. The order of the references has been controlled.

(3) Concerning grammar and typing errors: the text has been revised by 2 colleagues who are native English language speakers and also by one English translator who works for our department. Thus every effort has been made to optimize the quality of the manuscript.

3 References and typesetting were corrected. PubMed citation numbers and DOI citation were added to the reference list; all authors were listed. The name of the first author is written in bold.

The full text of 2 papers without DOI are provided but having PMID. (References number 80 and 83).

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Abdulbaqi Al-toma, MD, PhD

Gastroenterologist, Department of internal medicine and gastroenterology, St. Antonius hospital, Koekoestraan 1, 3430 EM Nieuwegein, the Netherlands. [a.altoma@antoniuziekenhuis.com](mailto:a.altoma@antoniuziekenhuis.com)
