PROOFREADING CERTIFICATE

This document certifies that the document below was edited by Lisa Schohn for American English grammar, punctuation, spelling, and style. I endeavoured to ensure that the authors' intended meaning was not altered during the review. All amendments were discussed with one or more of the authors. I bear no responsibility for revisions made to the document after my edit on the date listed below.

Document title: Gemcitabine-induced peripheral vascular disease and prolonged response in a patient with metastatic pancreatic adenocarcinoma.

Document authors: Fabien Moinard-Butot, Elodie Poprawa, Anna Schohn, Pietro Addeo, Meher Ben Abdelghani

Date edited: 01/23/2023.
