Efficacy of Pulsed Radiofrequency Stimulation in Patients ...

<https://www.ncbi.nlm.nih.gov/pubmed/?term=29871378>

Background: Recently, clinicians have been applying **pulsed radiofrequency** (PRF) stimulation on various peripheral nerves to manage patients' peripheral neuropathic **pain**. Objectives: To review the literature on the use and **efficacy** of PRF for controlling peripheral neuropathic **pain**. Study design: This is a narrative review of relevant articles on the **effectiveness** of PRF for peripheral ...
