

Dear Editor:

Enclosed, please find our manuscript titled 'Application of artificial neural network in the detection and diagnosis of gastrointestinal and liver tumors' which we would like your journal to consider for publication. No conflict of interest exists in the submission of this manuscript, and the manuscript is approved by all the authors for publication. On behalf of my co-authors, I would like to declare that the work described is original research that has not been published previously, and is not under consideration for publication elsewhere, in whole or in part. All the authors listed have approved the manuscript that is enclosed.

This manuscript has not been published previously and is not being considered for publication by another journal.

Thank you for your consideration.

Sincerely,

Jun Ma
