**Sub: Language editing of the manuscript entitled "Critical review of bone health, fracture risk, and management of bone fragility in diabetes mellitus"**

This is to certify that the manuscript entitled "**Critical review of bone health, fracture risk, and management of bone fragility in diabetes mellitus**" by Palui et al. is carefully reviewed by me for language correction and editing. The present version of the manuscript could be moved forward for further editorial considerations.

I would like to inform you that I have several peer-reviewed scientific publications in top-tier international journals such as *Science*, *Nature*, and *Nature Review Journals* (ORCID ID: 0000-0002-9960-5768). I have work experience in the world's top-ranking universities and research institutes including the University of Cambridge, the University of Pennsylvania, the University College London, and The Francis Crick Institute. Besides, I serve as a peer reviewer for many international journals.

Please feel free to communicate with me directly if you need any further clarification.

Yours sincerely

Dr. Sandipan Ray, Ph.D., MRSB
