

January 5, 2022

To whom it may concern,

I, Daniel Rodriguez, Ph.D., certify that I conducted the statistical analysis for the manuscript, "The Effect of Small Bowel Transit Time on the Accuracy of VCE in Evaluation of Suspected Small Bowel Bleeding. A retrospective Analysis at Einstein Medical Center", and that the statistical analysis was conducted at La Salle University in Philadelphia, PA.

Sincerely,

Daniel Rodriguez, Ph.D.  
Professor of Public Health  
La Salle University
