

## Format for ANSWERING REVIEWERS

June 4, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 10932-edited.doc).

**Title:** Donor cornea quality used for penetrating keratoplasty versus deep anterior lamellar keratoplasty

**Author:** *Sepehr Feizi MD, MSc*

**Name of Journal:** *World Journal of Ophthalmology*

**ESPS Manuscript NO:** 10932

The manuscript has been improved according to the suggestions of reviewers and editors:

Reviewer 1:

**“The review article is well written and provides useful information regarding its topic. However, an English native speaker should revise the manuscript and the author should explain the abbreviation when they used for a first time (e.g. CV, HEX).”**

The manuscript was edited by an English native speaker and the abbreviations were spelt out when they were used for the first time. The changes are highlighted in yellow.

Reviewer 2:

**“The review paper by Feizi presents a useful synopsis of the link between the donor material and clinical outcome after the corneal transplantation. It is well written and can be accepted as is.”**

Thank you very much.

Editor:

**“Please put the reference numbers in square brackets in superscript at the end of citation content or after the cited author’s name.”**

The reference numbers were put in square brackets in superscript at the end of citation content or after the cited author’s name.

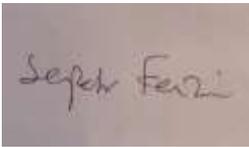

**“Please add PubMed citation numbers and DOI citation to the reference list and list all authors. Please revise throughout.”**

PubMed citation numbers were added to all references except for references 49 and 51 which cite book chapters. DOI citation numbers were added to the majority of the references where this number was available.

Thank you again for publishing our manuscript in the *World Journal of Ophthalmology*.

Sincerely yours,
