Re: Scientific English revision of the manuscript by Beltran-Povea and co-workers reviewing the regulation of pluripotency and hypoxia by Nitric Oxide

To whom it my concern:

I hereby certify that I have thoroughly revised the English language of above manuscript. I am a native English speaker with over 15 years of experience as a researcher in related fields (cell cycle and stem cell biology) and have revised the English of more than 30 published scientific manuscripts over the past 5 years. Please do not hesitate to contact me if you have any queries regarding this matter.

Your Sincerely
