

## Conflict of Interest Form

### Statement:

I, Sameer Rehman, have spoken to all coauthors, and along with myself we declare no conflicts of interest in the submission of our article, "Adenocarcinoma Arising at Ileostomy Sites: two cases and a literature review" to The World Journal of Gastrointestinal Surgery. No monetary or influential gain was or will be received by me, or any of the coauthors in the publication of our case report.

  
Sameer Rehman, MD
