

March 27, 2015

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 16736-revised.doc).

Title: The evolving role of salvage reirradiation: Is global harmonization required before treatment guidelines can be developed?

Author: Natalie Logie, C Suzanne Drodge, Oleksandr Boychak, Alysa Fairchild

Name of Journal: *World Journal of Meta-Analysis*

ESPS Manuscript NO: 16736

The manuscript has been improved according to the suggestions of reviewers and editors.

1 The format has been updated including adding first names of all authors, adding information to the affiliations of each author as requested, adding a conflict of interest statement, abstract, core tip and keywords.

2 Reviewers 742250 and 1430813 – no revisions suggested. Thank you very much for the compliments.

3 The references were corrected – all authors included as well as PMID and DOI citations added.

Thank you again for publishing our manuscript in the *World Journal of Meta-Analysis*.

Sincerely yours,

A FAIRCHILD, MD FRCPC
