

## Format for ANSWERING REVIEWERS

May 14, 2015

Dear Editor,

Please find enclosed the edited and revised manuscript in word format (MS WJBC 16795 revised).

**Title: Inflammation, oxidative stress and renin angiotensin system in atherosclerosis**

**Author:** Kazim Husain, Wilfredo Hernandez, Rais A Ansari and Leon Ferder

**Name of Journal:** World Journal of Biological Chemistry

**ESPS Manuscript NO:** 16795

The manuscript has been improved and the revision has been made according to the suggestions of the reviewers:

1. The key words have now been added.
2. Author's contribution has now been added.
3. Conflict of interest statement: There is no conflict of interest associated with any of the senior author or other coauthors contributed their efforts in this manuscript.
