

5th August , 2015

Dear Fang Fang Ji and (name of Editor),

Re: 19763

Thank you for the constructive comments provided for our manuscript **“Congenital and childhood myotonic dystrophy: current aspects of disease and future”**

Please find the author responses to the reviewer critique below. A revision of the manuscript is attached, with changes highlighted in yellow.

Thank you for your further consideration of the revision of the manuscript for publication.

Yours sincerely,

Dr Michelle Farrar and Genevieve Ho
