

10 January 2006

Mr N Tapuria
Department of Surgery
RF&UCMS
Hampstead Campus

Dear Mr Tapuria

PETER SAMUEL ROYAL FREE FUND

I am pleased to inform you that the Trustees at their recent meeting agreed to support your application to the Fund.

The grant number allocated to it is 917. This is a number for my reference. Please ensure that this number is quoted on all correspondence that you send to me.

The Trustees awarded you £9,600.00.

The financial administration of the award will be carried out by the relevant Finance Office at University College London. You or your head of department/departamental administrator will be written to separately about this.

Terms and conditions of the award are attached. One condition is that grant holders must give a ten minute presentation on the results of their studies to the Trustees in the year following the award. I will contact you about this later in the year. In addition, a short questionnaire will need to be completed one year after the termination of the award. This is in order that the Trustees can monitor the success of the research they are supporting.

You should contact me if you have any queries or difficulties other than those associated with purely financial matters.

Yours sincerely

Alan Kibble
Hon Secretary to the Trustees

c.c. Ms L Masey
Ms D Grant, UCL Research Administration
Professor M Winslet
