

First of all, we really appreciate the reviewers' favorable decisions on our manuscript (Reviewer 02573214: This manuscript is a concise and comprehensive good description of the state of art about Minimally invasive surgery for upper gastrointestinal cancer. This article should be considered to be published. Reviewer 03474659 This is a good article dealing with minimally invasive surgery for upper gastrointestinal cancer. The focus of the paper is well phrased.). Thus, according to the editor's suggestions in the edited manuscript file, we have made our best efforts to revise our manuscript on a point-by-point basis as follows:

A copy of signed statement should be provided to the BPG in PDF format, which are necessary for final acceptance.

A copy of COI statement signed by the corresponding author has been uploaded in PDF format.

Audio core tip:

In order to attract readers to read your full-text article, we request that the author make an audio file describing your final core tip, it is necessary for final acceptance. Please refer to Instruction to authors on our website or attached Format for detailed information.

We have created an audio file of our final core tip in mp3 format.

Fig.3: Please provide separate images. Please modify and check throughout.

Fig3A-D are separately demonstrated in the revised manuscript.

In addition to these corrections, reference #73 is added to the reference list.
