Dear Dr. Ohkoshi:

I am sending herewith the first-check revisions to your manuscript (Job No. R1601943). There are comments in the text for your confirmation. Please read the text carefully to ensure that the revisions reflect your intended meaning. The tables and references have also been checked, as requested.

If any of the changes are unclear, please make a note of these and return your manuscript for a **proof check**. If you have any questions or comments, please include them at that time. However, if you are satisfied with the manuscript in its current form, then we wish you the best of luck with your submission.

Thank you for using Forte. We look forward to working with you again.

Sincerely,
