Title: Integrated approach to Colorectal Anastomotic Leakage: Communication, Infection, and Healing Disturbances

Dear Editor,

We believe that the language of our manuscript entitled 'Integrated approach to Colorectal Anastomotic Leakage: Communication, Infection, and Healing Disturbances' has reached Grade A. A native speaker revised our manuscript extensively. Since we do not have any funding for this research project, we were not able to have our manuscript edited by English language editing companies.

On behalf of all authors,

C.L. Sparreboom
