

Name of Journal: *World Journal of Gastrointestinal Surgery*

ESPS Manuscript NO: 26755

Manuscript Type: ORIGINAL ARTICLE

Retrospective Study

Barium appendicitis: A single institution review in Japan

Biostatistics

As we do not have any biomedical statisticians in our hospital, we have to perform analysis by ourselves.

Correspondence to: Hideki Katagiri M.D, Department of Surgery, Tokyo Bay Urayasu Ichikawa Medical Center 3-4-32, Todaijima, Urayasu city, Chiba, 279-0001 Japan

Phone: +81-(0)47-351-3101

Fax: +81-(0)47-352-6237

E-mail: x62h20k38@yahoo.co.jp

A handwritten signature in blue ink, appearing to read "Hideki Katagiri". The signature is written in a cursive, flowing style.
