Dear Madam/ Sir

Re: ESPS Manuscript NO: 29884

Please find attached our revised manuscript for publication in the World Journal of Orthopaedics.

We have addressed the reviewers two concerns:

1. A table with the early results from our cohort has been included.
2. The references have been reformatted to the requested style.

Please let us know if any other information or amendments are required at this stage.

Yours sincerely,

Miss Elizabeth Tissingh MBBS MSc MRCS
