World Journal of Hepatology

Subject: Declaration of English Revision

Dear Sir/Madam,

my name is Cecilia Baroncini, I hold a BSc in Foreign Languages, I'm specialising in scientific and technical translation, and I hold the Cambridge English C2 Proficiency qualification (<http://www.cambridgeenglish.org/exams/proficiency/>), which certifies that I achieved the highest level of language proficiency under the Common European Framework of Reference for Languages (CEFR) (https://www.coe.int/t/dg4/linguistic/Source/Framework_EN.pdf).

I've been working as a translator and proof-reader at IRCCS – Institute of Neurological Sciences of Bologna, Italy, for the past 5 years and I hereby declare that I revised the paper by Sirio Fiorino et al. entitled: "Vitamin E for the treatment of children with HBeAg-positive chronic hepatitis: a systematic review and meta-analysis" to the best of my abilities.

Sincerely,

Cecilia Baroncini

A handwritten signature in cursive script, reading 'Cecilia Baroncini'.
