Dear Dr. Lian-Sheng Ma:

Re: Corresponding Author Statement of ID (02529715) Manuscript

In regarding to our manuscript entitled "*Sinusoid Endotheliitis as a Histological Parameter for Diagnosing Acute Liver Allograft Rejection*", I certify that to the best of my knowledge and belief all of the information on this form is correct.

Institutional review board statement: The study was reviewed and approved by institutional review board (IRB) at McGill University. All routine liver biopsy specimens from the patients were taken after informed consent and ethical permission was obtained for participation in the study.
