Dear Dr Obi Anselm O

Principal Investigator,

Combined Urethral and Suprapubic catheter drainage improves post-operative management after open simple prostatectomy

We are glad to inform you that the University Research Ethics committee has recommended ethical clearance to your research proposal following the correction of all the earlier outlined points.

You are required to adhere strictly to the ethical guidelines as presented in the UREC checklist and to submit a progress report six months into the study and finally a summary of the final report at the end of the project, to the Directorate of Research, Innovation and Commercialization, Ebonyi state University.

We wish you the best of Luck.

Sincerely,

Dr Ezeonu Chinonyelum Thecla
Chairman EBSU UREC
