Observational Study

Appropriateness of the study of iron deficiency anemia prior to referral for small bowel evaluation at a tertiary center

Jaime Pereira Rodrigues, Rolando Pinho, Joana Silva, Ana Ponte, Mafalda Sousa, João Carlos Silva, João Carvalho

Abstract

AIM

To evaluate the adequacy of the study of iron deficiency anemia (IDA) in real life practice prior to referral to a gastroenterology department for small bowel

Appropriateness of the study of iron deficiency anemia prior to referral for small b
