**Subject:** Manuscript NO: 34208-Peer-review comments received

Dear Dr. Hori,

Thank you very much for conducting a peer review of Manuscript NO: 34208 that was submitted for consideration for publication in the World Journal of Gastroenterology.

We have received your review comments and would like to extend our invitation to you for continued participation as a peer reviewer for future manuscripts submitted to the World Journal of Gastroenterology.

Your review comments are the basis upon which our decision is made to accept or reject a manuscript for publication. In deference to your time and expert contributions, all peer reviewers are acknowledged on the F6 Publishing website. You can index your review ranks, records and names by clicking the following link:

<http://www.f6publishing.com/highlyinfluentialpeerreviewers>. In addition, you can view your review record by logging in to the F6 Publishing system at

<http://www.f6publishing.com> with your registered e-mail: [horit@kuhp.kyoto-u.ac.jp](mailto:horit@kuhp.kyoto-u.ac.jp) and password: tomohide06.

We welcome you to submit your high-quality original articles to any of the *World series* journals published by the Baishideng Publishing Group (BPG). Your status as an important contributor to the F6 Publishing system is also acknowledged by our waiving of the publication fee for "Review Articles" authored and submitted by you that

are accepted for publication in the BPG journals. **Please indicate your Number ID: 02855928 in the cover letter when you submit a Review Article.**

BPG practices an open access and peer review publishing model. Our goals are to maximize the benefits of peer review for our readers, authors, peer reviewers and editors by providing an open internet-based platform that supports the productive exchange of information regarding the research findings published in our journals, as well as presents the latest scientific knowledge to the public. Our journals cover a wide range of topics, including anesthesiology, biochemistry and molecular biology, cardiology, critical care medicine, dentistry and stomatology, dermatology, diabetes, experimental medicine, gastroenterology and hepatology, hematology, immunology, infectious diseases, medical genetics, medical imaging, methodology, nephrology, neurology, obstetrics and gynecology, oncology, ophthalmology, orthopedics, otorhinolaryngology, pediatrics, pharmacology, psychiatry, respirology, rheumatology, surgery, translational medicine, transplantation, urology and virology.

Thanks again for actively reviewing our manuscripts!

If you have any questions regarding the peer review process or the F6 Publishing system, please feel free to contact us via e-mail at: [esps@wjgnet.com](mailto:esps@wjgnet.com) or online at the Help Desk: <http://www.f6publishing.com/helpdesk>.
