LANGUAGE EDITING

This is to certify that I have reviewed the manuscript entitled "**Influence of Proton Pump Inhibitors in the Development of Spontaneous Bacterial Peritonitis**" for grammatical clarity and appropriate vocabulary.

I am currently based in London, UK, and have lived and worked in English-speaking countries (USA, UK) for over 10 years, where I also earned my BA and MA degrees.

I am an editor and translator with over seven years of experience in academic editing and translations, including scientific and medical manuscripts.

Sincerely,

A handwritten signature in black ink that reads "Mauricio Brandes Both". The signature is written in a cursive style with a long horizontal line extending from the end of the name.
